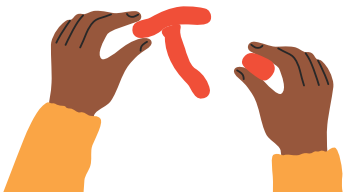
Meet the Letters! V K Z X Q

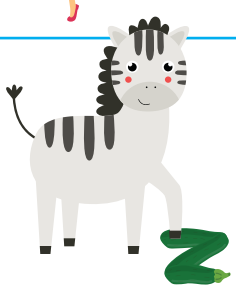
Directions: Cut out letters U, K, Z, X, and Q from the set of double-sided Letter Cards. Ask children to identify the letter on each card and say the sound into the Phoneme Phone. Have children trace the upper and lowercase letters a few times with their pointer finger. Then, use molding dough to mold the shape of each letter. For extra practice, challenge children to use modeling dough to create something that begins with each letter.



Have children repeat the sentences below into their Phoneme Phone.

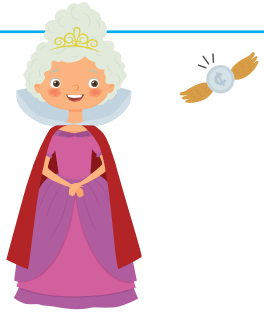
V: The vulture visits a vegetable volcano.

K: The kind king makes kites for kids.



Z: My zebra is zany for zigzag zucchini.

X: Fox will fix a mix for six.



Q: The Queen quizzes a quacking quarter.

More Ideas

Get outside and create letters in nature! Have children gather a collection of nature items, such as sticks, leaves, stems, pine cones, or pebbles. Arrange the nature items in the shape of different letters, uppercase or lowercase, and make their sound. Encourage children to use descriptive language by asking how the nature items feel. Are they bumpy, smooth, sticky, etc.?
